TRIUMPH
maverick

**The lightweight
Maverick lets you
go anywhere. And
everywhere.**

With the Maverick, get the support you need.

Whether you're running errands or visiting a friend, the Maverick's lightweight design gets you moving and lets you rest when you need to. Just go!

Features

01

Lightweight

Created with the lightest material – carbon fibre – the Maverick is just 13.8 lbs.

02

Compact

Designed to suit an active lifestyle, The Maverick moves along different surfaces, into the car trunk or the cargo of the plane – you decide.

03

Safe & Comfortable

Our focus on safety includes using quality materials, and offering large 8-inch wheels and a comfortable 19 x 8.25 inch seat.

04

Accessorized

Accessories include a shopping bag, cupholder and cane holder – all included with purchase.

05

Stylish

Sleek black and grey colouring that blends into any environment.

06

Adjustable

Handle heights range between 34.5 and 39.75 inches suits many heights.

Mobility for everyone

Triumph Mobility was founded on a mission: to improve the daily lives of everyone we serve, helping them to move through their world with dignity and comfort.

Customers asked us for a super light rollator that would get them moving. The carbon fibre Maverick is our answer.
